However, beginning in 2015, for all executive officers, except Grant S. Moise, the financial performance metrics will be weighted 90% against consolidated Company EBITDA and 10% against the EBITDA for newly acquired businesses that have a proven financial record. For Mr. Moise, financial performance metrics will be weighted 50% against consolidated Company EBITDA and 50% against the EBITDA for newly acquired businesses that have a proven financial record. Threshold, target and maximum performance and payout ranges for the consolidated Company EBITDA component are 85%, 100% and 115% respectively for performance and 10%, 100% and 200% respectively for payout. Threshold, target and maximum performance and payout ranges for the newly acquired business EBITDA component are 75%, 100% and 125% respectively for performance and 10%, 100% and 200% respectively for payout.

In addition, INFOs for all executive officers, except Mr. Moise, have previously been earned on an all-or-nothing basis. For 2015, INFOs for all executive officers, including Mr. Moise, are comprised of performance metrics, based on a point system allocated to each objective which includes threshold, target and maximum performance and payout ranges for each objective of 50%, 100% and 150%, respectively.
